

Verizon Business DSL Service

Hypersurf your way around the internet with Verizon DSL

Verizon Business DSL Plans

Hypersurf Business DSL service provides an always-on Internet access for your business. We offer DSL connections with both static and dynamic IP addresses. Hypersurf business DSL service includes around the clock technical support, blazing fast speeds, web based email and so much more. Check out everything that is included in each of our business DSL packages. Please let us know if you have any questions about our DSL services, packages or specials. This service requires you to be in Verizon phone territory.
